Last On Demand takes you to the main screen for video-on-demand options.

The TiVo button takes you to the TiVo Central® screen, the starting point for all your TiVo features and settings.

If programmed, TV PWR turns your TV on or off.

Use Input to select the input (such as TiVo box, DVD player, game system) your TV is connected to.

Back goes back to the previous screen (in certain circumstances).

Guide takes you to the program guide, where you can find shows to watch or record. Press it again to see the TiVo menu.

If programmed, Volume and Mute control the volume on your TV or A/V receiver.

Use the Thumbs Up® and Thumbs Down buttons to rate shows, collections, or video providers for TiVo. Use the Channel Up/Down buttons to change the channel and to page up or down while in the program guide.

Press Record to start recording the show you’re watching, or to set up a recording for a show at a later time.

Fast-Forward fast-forwards through a show. Press it up to three times for the next tick mark when Fast-Forward is active.

Advance moves forward in 30-second increments; press and hold to jump to the end of the show. Or, press Advance to jump to the next tick mark when Fast-Forward is active.

Live TV takes you to live TV. If you’re watching live TV, use it to cycle through the program guide.

Info shows the info banner while watching live TV; press it again to make it disappear.

Press Select to choose menu items or, when watching live TV, to bring up the onscreen tips.

Use Zoom to change aspect ratio of shows on your TV.

Use the Arrow Buttons to navigate the TiVo menus and the program guide.

Use the Channel Up/Down buttons to change the channel and to page up or down while in the program guide.

Press Record to start recording the show you’re watching, or to set up a recording for a show at a later time.

Press Advance to jump to the next tick mark when Fast-Forward is active.

On Demand takes you to the main screen for video-on-demand options.

Enter/Last returns you to the last channel tuned to in

To program your TiVo remote, press the TiVo button to go to the TiVo Central screen. Then select Settings & Messages, then Settings, then Remote, CableCARD, & Devices, then Remote Control. Follow the easy on-screen instructions.

Use these shortcuts to help you navigate to your favorite TiVo features quickly!

First press the TiVo button on your remote and then press:

0 - Show the TiVo introduction animation
1 - Season Pass Manager
2 - To Do List
3 - WishList Search
4 - Search
5 - Browse TV & Movies
Advance - Goes to bottom of a menu list
Channel Up/Down - On menus with more than one screen, this will page up or down one screen at a time.
